

PUNJAB ASSOCIATION'S ANNA ADARSH COLLEGE FOR WOMEN

Affiliated to the University of Madras
(Re-accredited by NAAC with A+ Grade)

PLACEMENT POLICY

Anna Adarsh College for Women has got the dedicated Placement Office with Mr.M.Chandhirasekaran as Head – Placement & Training. The Placement office takes care of Training, Placements, Internships, Signing MOU with corporates, Higher Studies Counseling & organizing Skill development events for the students.

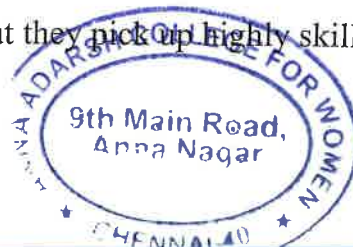

Regarding Training & Placements, Students are trained in the skillset required by the corporates on Aptitude, Communication, Technical, Personality development and related skills. Students are categorized into those who are opting for Placements and those who wish to pursue their higher studies.

Students opted for Placement process will be registering for placement process. Database of such students are created department wise in a specific common format.

Placement Office contacts the Companies over the phone, Email & Personal Visits with the Institution details and with the potential student's data. Companies are categorized into Tier 1, Tier 2 & Tier 3 based on their familiarity and intake in the market. Regular corporates who visit the campus regularly and high intake will be given priority. Tier 1 companies are given priority and they carry out the interview process in the campus either on online or offline mode based on the situation.

Placement season normally starts in the month of August and all the Tier 1 companies will do the hiring process and once the Tier 1 companies finish, then the Tier 2 companies will be given chances followed by the Tier 3 companies.

Apart from the above, we have Product based IT companies and Dream Companies whose salary package are higher, but they pick up highly skilled few students.

We do have campus policy, that once one student got selected in one company, they will not be allowed to sit for the other drives.

Various drives are conducted in different interest areas and different roles that has got good career growth. For each drive, the details and the Job description are shared to all the students and a google form is opened for registration of that particular position and only the registered and interested students participate in the drive.
