While I was the Minister for Panchayath and Social Justice Department, Govt:of Kerala, I came across with **Miss. Reshma Elizabeth Thomas** (Research Scholar, Post-Graduate and Research Department of Public Administration, Anna Adarsh College for Women, Anna Nagar, Chennai – 600 040) who was actively participated in the programs and policy initiative conducted for the welfare of the transgenders which is the first initiative in the country.

The appointment of Transgenders in the recent Kochi Metro has been had its genesis from the policy initiatives. It was a great revolution in the state for the care and protection of transgenders.

Even in those days, she was successful in making awareness programs throughout Kerala by organizing painting exhibitions. It created massive awareness among general public and the public has whole heartedly welcomed the Govt:measures in the upliftment of transgenders.

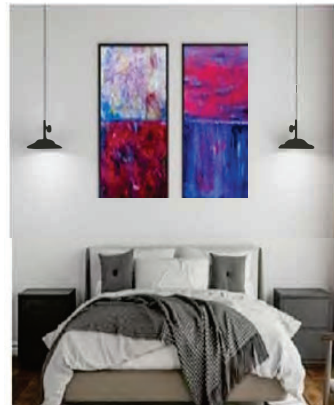

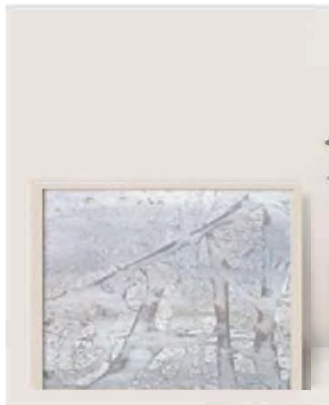

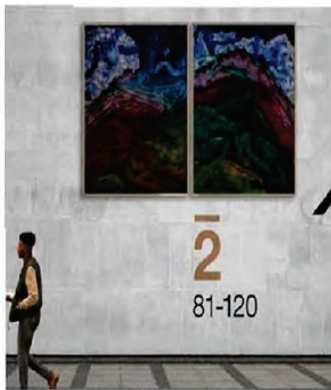

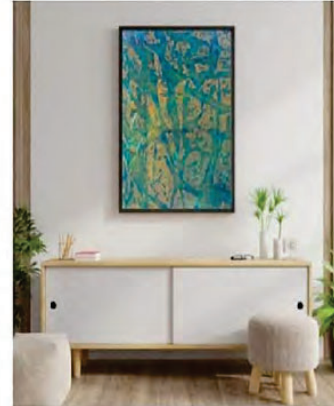

She has immense talent to formulate plans and ideas for the social upcoming of these sections of people. She has an inherent quality of sympathizing with the issues of transgenders.

I have experienced the real artistic talent, dedication, devotion, and motivation of Miss. Reshma Elizabeth Thomas in fulfilling the task undertaken and I wish her all the best in her future endeavors.
