

# PUNJAB ASSOCIATION'S ANNA ADARSH COLLEGE FOR WOMEN

Affiliated to the University of Madras  
( Re-accredited by NAAC with A+ Grade )

## GREEN POLICY

Anna Adarsh College is committed to operate with environmental responsibility; it strives to create and sustain an eco-friendly campus in the management of water resources, energy sources and consumption. The institution recognizes that reducing and, where possible, eliminating the environmental impacts of our activities is an important part of our mission. We will strive to create environmental consciousness among stakeholders through campaigns and policies directed towards a clean and green environment by ensuring participation in programmes, discussions, and debates.

We will contribute to nation efforts on environment protection and sustainability through-

- Complying with environmental legislation and other requirements, such as approved codes of practice
- To establish and follow principles, in conjunction with National Environmental Policies.
- Communicate environmental aims and objectives to internal and external stakeholders
- Assess the environmental impact of all current, and likely future activities
- Continually seek to improve environmental performance, e.g., by a regular survey of energy and water usage and undertaking measures to reduce, reuse, and recycle to reduce waste.
- Reduce pollution, emissions, and waste,
- Raise awareness, encourage participation, and train faculty and students in environmental matters.
