Brief Report:

The Student's Orientation programme on 'Tally ERP - 9' conducted on the 11th of September, 2021 was a very informative and illuminative session. The session was led by the guest speaker Mr. S. Alagupandi sir, who is a specialised trainer in Tally ERP 9 and SPSS. He explained the various features and attributes of the Tally ERP-9 in a very understandable manner while clearly explaining the actual facts about the software in detail. Every basic feature of Tally ERP-9 was broken down to a very fine and simple version, so as to ensure the full understanding of the information shared by everyone attending the session. All doubts and confusions regarding the topic were patiently dealt by the resource person to provide a clearer idea. He also introduced and explained in detail about the Tally training program conducted to provide the students with an opportunity to be trained as one among their employees. It was definitely an essential session and provided all the attendees a deeper knowledge on Tally ERP-9.

Topic:	Netiquette - Times Have Changed But Our Values Have Not
Event Category:	Orientation program
Level:	College
No Of Participants	1,318
Judges/Guest (with Designation)	No Guest

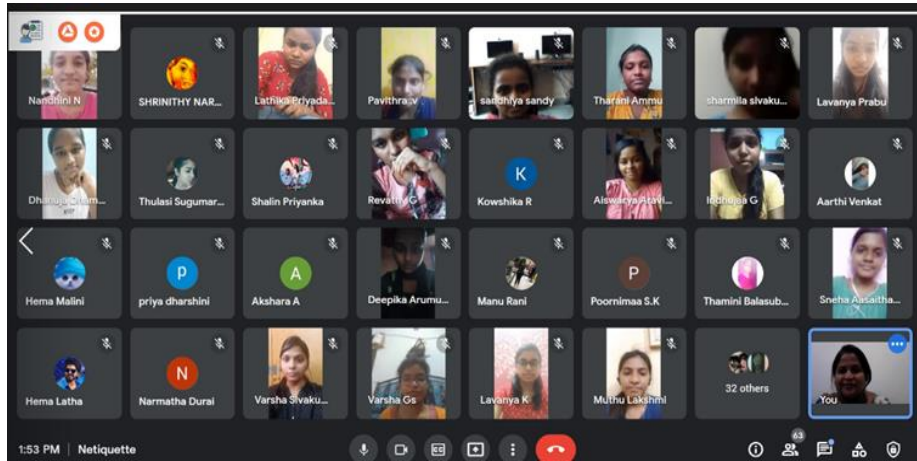

Brief Report:

Netiquette – An online classroom etiquette, is an essential way of using the internet for looking, surrounding and behaving the best while entering a virtual classroom. This orientation program was conducted at the very beginning of the year for students from both shifts in about 18 sessions. This webinar was packed with tips and tricks for students to tackle their new normal classrooms which included college norms, self-care tips, communication skills and other noteworthy technical aspects. Conducting oneself in an online class with the same respect, politeness and professionalism that would be exhibited in a real- life classroom was the main crux of the program.
