**STAKEHOLDER FEEDBACK & ACTION TAKEN REPORT 2018-2019**

**STUDENTS**

FEEDBACK	ACTION TAKEN
Students require more e-resources, books and e-journals for wider learning and research purposes.	Increased e-resources, books and e-journal facilities have been created in the library so that they could have increased access to e-resources through N-list and other academic websites.
The syllabus could be more up to date and professional oriented.	Various senior faculty members serving as members of Board of Studies are encouraged to revamp the syllabus reflecting the current trends and expectation of the students.

**ALUMNI**

FEEDBACK	ACTION TAKEN
Students to be mentored to enhance their professional skill.	Regular seminars, webinars and workshops conducted in specialized areas as per current trends in industry.
Availability of drinking water is a must for all students.	Drinking water facilities are provided in all the floors and water dispenser is cleaned regularly to provide fresh water to students

**FACULTY**

FEEDBACK	ACTION TAKEN
Few staff felt that welfare measures to be improved.	Medical Insurance was provided to all staff members.
Frequent FDPs and workshops to be conducted to update their knowledge.	Proper efforts were taken to conduct Faculty development training to orient the faculty with updated knowledge in their area of specialization.
