Student Satisfaction Survey 2020-21

SUMMARY OF STUDENTS SATISFACTION SURVEY

The students reflected on various aspects of the college and the staff, on a 5 point scale ranging from strongly agree to strongly disagree. The teacher's approach to teaching was highly satisfactory as majority of the students found the teaching approach to be excellent. The students agreed that there is fairness in the internal evaluation by the teachers and their performance was appropriately discussed from time to time. The mentoring process was found to be highly satisfactory by the students as the teachers regularly followed up the tasks assigned to them and ensured the overall growth of the students. The students agreed that the college take necessary steps to promote their employability skills, giving them ample opportunities to participate in field work and promoting internships. The students rated the overall teaching quality to be good as they agreed that the teachers helped them to identify their strengths, overcome weaknesses and ensured that they participate in extracurricular activities. The students were satisfied with the ICT tools adopted by the teachers.

AACW

Suggestions

Few students felt that Performance in assignments were not discussed. The institution must concentrate more on internships, student exchange programs, field visits etc. Mentoring process to be enhanced. More student-centric methods to be adopted.

Action Taken Report

Regular analysis and review of work was ensured. Students were given more opportunities to do internships, industrial training, projects and field visits. Regular mentor-mentee meetings with detailed report documentation were facilitated. Students were exposed to experiential learning, peer learning, problem-solving methods, case study analysis, **etc.**
