ALUMNI SEMINAR ON DATASCIENCE

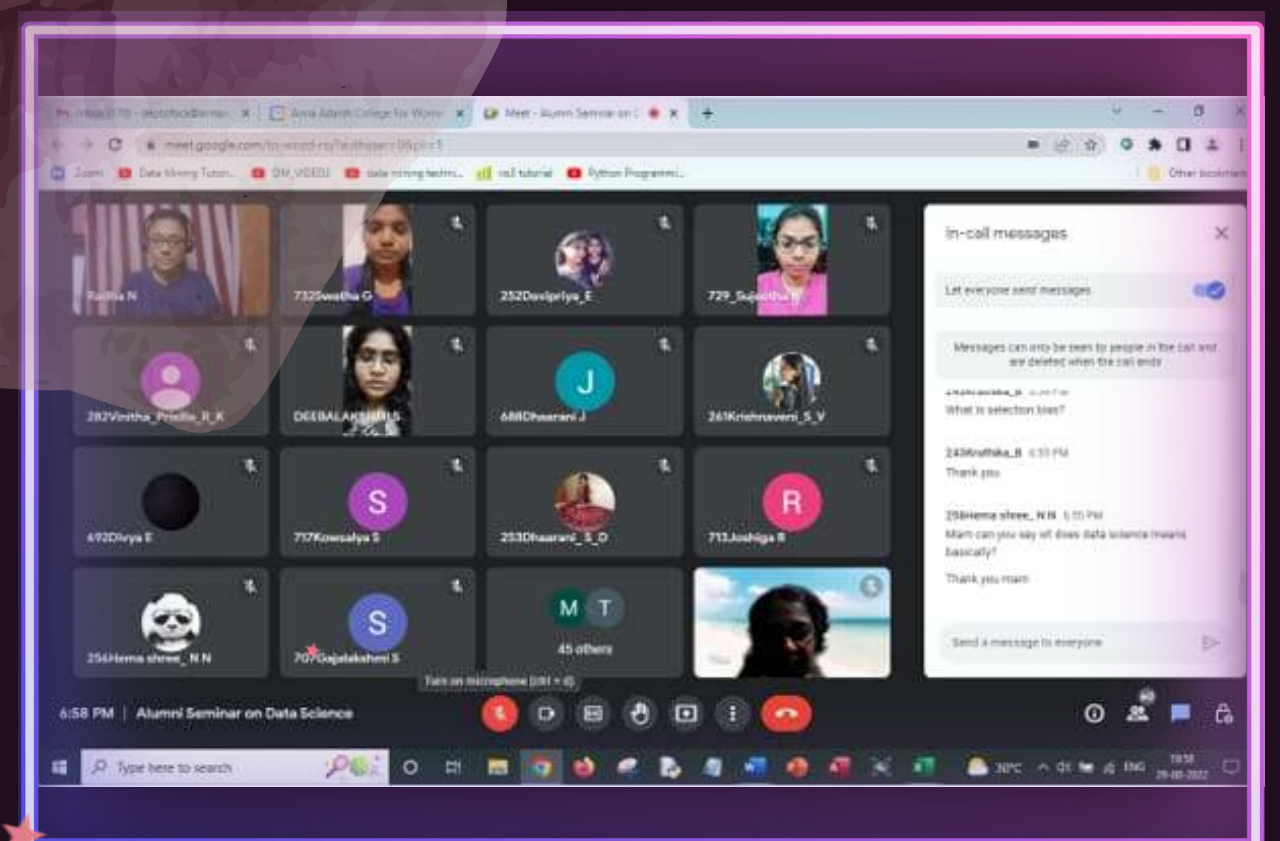

Ms.Radha N
Associate Software Engineer,
Ernst and Young Global Delivery
Services,Chennai.

Data science is an interdisciplinary academic field that uses statistics, scientific computing, scientific methods, processes, algorithms and systems to extract or extrapolate knowledge and insights from noisy, structured and unstructured data.

Data science is a "concept to unify statistics, data analysis, informatics, and their related methods" in order to "understand and analyze actual phenomena" with data.

OATH TAKING AGAINST DRUG ABUSE!

Department of BCA(SHIFT 1) students taken a pledge on 11/08/2022 'To increase awareness about ill effects of drug abuse and to motivate the students and our nation towards a DRUG FREE LIFE '.

"YOU ARE BOUND FOR SUCCESS IF YOU ARE BOUND TO NOT DO DRUGS."

**Say
yes to
life
no to
drugs**

"I am aware of the ill effects of drug abuse and I solemnly promise not to indulge in drug abuse".

Addiction is a disease that affects your brain and behavior. When you're addicted to drugs, you can't resist the urge to use them, no matter how much harm the drugs may cause. The earlier you get treatment for drug addiction, the more likely you are to avoid some of the more dire consequences of the disease.

TEACHER'S DAY CELEBRATION

"Education is the key to success in life, and teachers make a lasting impact in the lives of their students."

- Solomon Ortiz

Teacher's day is celebrated on 5th September every year to acknowledge and highlight the contribution of teachers and the teaching profession in India. Teacher's day marks the birth anniversary of one of the finest teachers and philosophers of the nation, Late Dr. Sarvepalli Radhakrishnan. Born on 5th September 1888, Sir Radhakrishnan requested their students to rather celebrate his birthday, they must celebrate the day as Teacher's Day. Since 1962, the day is commemorated as Teacher's Day.
