Dr.S. Marcelline Pushpa, Dean- Student Affairs and Head, Department of Public Administration welcomed the gathering. Mr.V.R. Muthu, Chairman of Idayam family, shared his insightful thoughts about Mrs.Jyothi Reddy. An audio-visual depicting the hardships faced by Mrs.Jyothi was played. Mr. Prasanna, Psychologist, Writer and Advocate expressed why he desired to pen the Tamil version of Mrs.Jyothi's autobiography, ஆயினும் நான் தோற்கவில்லை. Thereafter, the book was released and the first copy was received by Dr.Anita Raman, Vice Principal and Dean- Academics.

The keynote Address was delivered by Mrs. Jyothi Reddy, CEO, Keys Software Solutions, USA. Jyothi Reddy who was once a farm labourer now a CEO of a 15 million dollar company is a living inspiration to all men and women regardless of age. Even though she had spent a majority of her childhood in an orphanage and without proper support, she aimed for something big. Her divergent way of thinking that emerged as she gazed at an aeroplane that flew overhead induced awe and that ambitious thought process brought Jyothi Reddy to where she is now. She greatly inspired the audience and taught them to live with confidence and determination and dream big and aim for success. Ms.Abi Shankari, District Governor, Tamizhal Inaivom, proposed the vote of thanks.
