# MOMENTS CAPTURED FROM INVESTITURE

# STUDENTS AWARENESS PROGRAMME

*The Students Awareness Programme was held on 9th October 2023 with Mr. Syed Hassan as the Guest Speaker. The speech focused on how Artificial Intelligence (AI) is rapidly becoming an ubiquitous force in our society, affecting various aspects of our day to day lives, from entertainment to healthcare, transportation to finance. As students, it is essential to comprehend the fundamentals of AI, its applications across different domains, and the ethical considerations that accompany its proliferation. This programme served an eye opener for students to prepare for an AI-driven future.*

# TEACHERS DAY CELEBRATION

*With immense love and gratitude Teachers day was hosted by the students of the Department*

*“Celebrating the mentors who made learning an unforgettable journey”.*

*A teacher is a compass  
that activates the  
magnets of curiosity,  
knowledge, and wisdom  
in the pupils.*

*"A Teacher presents the past, reveals the  
present, and creates the future."*

# WOMEN'S DAY CELEBRATION

*The final year BSc Computer Science took initiative and organised a vibrant celebration to commemorate International Women's Day. The event showcased the unwavering commitment of women to the society. The celebrations featured a diverse array of activities, including engaging games, captivating dance performances, and soulful singing and inspiring speech by the students.*

**WOMEN'S  
DAY**

*Captivating Dance Performance*

*Soulful Singing*

# INTRA DEPARTMENTAL COMPETITION POSTER PRESENTATION

*The Department of Computer Science with Artificial Intelligence along with Institution's Innovation Council and IQAC jointly organized an Intradepartmental Poster presentation competition on the topic "Women Entrepreneur - My Role Model". .*

*Ms. D. Padmalakshmi Head, Department of Psychology, Shift II, Anna Adarsh College for Women was the guest and judge of the day. She insisted on the purpose of life and if students understand this then they will be able to better themselves and reduce distractions during class. The winners were: P. Durga of II BSc Computer Science bagged the first prize. Thulasi Priya S and Swathi H of II BSc Computer Science won the second prize and the third place was won by Subasri M and HariShankari V of I BSc Computer Science. This programme served as a commemoration of International Women's Day. It is noteworthy to mention that this event was the first of its kind for the Department of Computer Science with Artificial Intelligence since its inception in the academic year 2023 - 2024.*

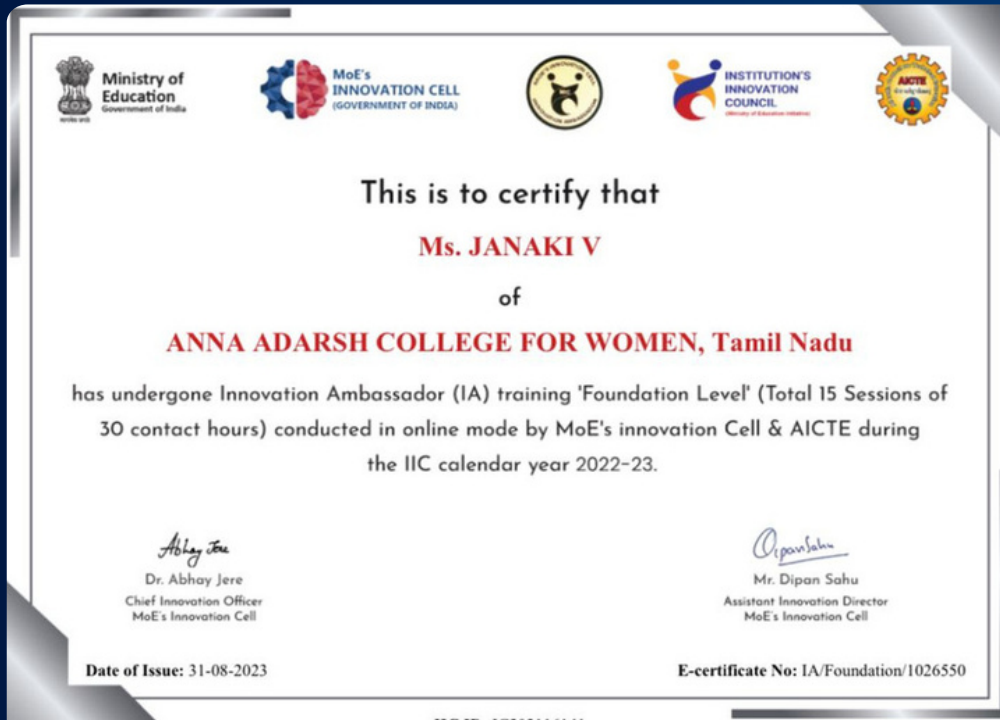

# FACULTY ACCOMPLISHMENTS

*Ms. G. Prathima, Assistant Professor of the Department was conferred Doctoral degree in Computer Science from Dr M.G.R. Educational and Research Institute on AUGUST 2023*
